On the recommendation of the Board of Directors, Antoine Grolin is appointed Chief Executive Officer of the ELO Group.

An expert in urban development issues and a graduate of French engineering school HEI, Antoine Grolin, 47, began his career with the international Bouygues Construction group. He headed the Projex Group, which he joined in 2003 and of which he is now Chairman of the Board of Directors. Antoine Grolin has also been a member of the Management Board of the Mulliez Family Association since 2014.
